Safeguarding .....	80
Contingency planning for outbreaks.....	82

## System of controls

We know that the predominant new variant of coronavirus (COVID-19) is more transmissible however, PHE advice remains that the way to control this virus is with the system of controls, even with the current new variants. This is the set of actions schools must take. They are grouped into ‘prevention’ and ‘response to any infection’. If you follow the system of controls, you will effectively reduce risks in your setting and create an inherently safer environment.

### Prevention

#### You must always:

1. Minimise contact with individuals who are required to self-isolate by ensuring they do not attend the school.
2. Ensure face coverings are used in recommended circumstances.
3. Ensure everyone is advised to clean their hands thoroughly and more often than usual.
4. Ensure good respiratory hygiene for everyone by promoting the ‘catch it, bin it, kill it’ approach.
5. Maintain enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents.
6. Consider how to minimise contact across the site and maintain social distancing wherever possible.
7. Keep occupied spaces well ventilated.

#### In specific circumstances:

8. Ensure individuals wear the appropriate personal protective equipment (PPE) where necessary.
9. Promote and engage in asymptomatic testing, where available.

#### Response to any infection:

10. Promote and engage with the NHS Test and Trace process
11. Manage and report confirmed cases of coronavirus (COVID-19) amongst the school community.

12. Contain any outbreak by following local health protection team advice.

Risk assessment	
What are the hazards?	<ul style="list-style-type: none"> <li>Potential for spread of COVID-19 between persons at school showing symptoms of coronavirus or those who are confirmed to have coronavirus.</li> </ul>
Who might be harmed and how?	<ul style="list-style-type: none"> <li>Staff, pupils, contractors, and visitors may catch COVID-19 via direct or indirect contact with carriers whilst on site.</li> <li>Potential for spread to other family members / persons.</li> </ul>
<p><b>Note:</b> We have specifically removed any rating or scoring from this risk assessment. We do not feel this adds any significant benefit to this untypical situation. You may wish to prioritise any actions, but the basis of the approach to mitigating the risks from coronavirus is such that all measures should be carried out alongside each other rather than in sequence. The planning and assessment you undertake will form the basis of an overall plan to manage the risks specific to your setting and that is the most important aspect of this process.</p>	

This risk assessment is based on Department for Education (DfE) Schools coronavirus (COVID-19) operational guidance as published on 22 February 2021.

DfE Guidance	Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<b>SYSTEM OF CONTROLS – PREVENTION</b>					
<b>1. Minimise contact with individuals who are required to self-isolate by ensuring they do not attend the school (DfE page 8)</b>

<p>started for the first person in their household, or the day their test was taken if they did not have symptoms, whether this was a Lateral Flow Device (LFD) or Polymerase Chain Reaction (PCR) test), and the next 10 full days. If a member of the household starts to display symptoms while self-isolating they will need to restart the 10 day isolation period and book a test.</p> <ul style="list-style-type: none"> <li>▪ If anyone tests positive whilst not experiencing symptoms but develop symptoms during the isolation period, they must restart the 10 day isolation period from the day they developed symptoms.</li> <li>▪ In non-residential schools, if a pupil displays coronavirus (COVID-19) symptoms, or has a positive test, while at their school they should avoid using public transport and, wherever possible, be collected by a member of their family or household.</li> <li>▪ If a pupil is awaiting collection: <ul style="list-style-type: none"> <li>▪ They should be moved, if possible, to a room where they can be isolated behind a closed door, depending on the age and needs of the child, with appropriate adult supervision if required.</li> <li>▪ A window should be opened for fresh air ventilation if it is safe to do so.</li> <li>▪ If they need to go to the bathroom while waiting to be collected, they should use a separate bathroom if possible. The bathroom must be cleaned and disinfected using standard cleaning products before being used by anyone else.</li> </ul> </li> </ul>		<p>PPE disposed of appropriately.</p> <ul style="list-style-type: none"> <li>• Staff will make a follow-up call to students who have been unwell on the next school day.</li> <li>• If a staff member or student is tested positive for coronavirus, parents of students in their group will be informed and national test and trace procedures will need to be followed.</li> <li>• Children, young people, parents, carers or any visitors, such as suppliers, are told not to enter the education or childcare setting if they are displaying any symptoms of the virus.</li> <li>• Parents only visit by appointment – declaration as part of sign-in procedure</li> </ul>	<p>Office staff</p> <p>Office staff</p> <p>SLT Office staff</p> <p>SLT Office staff</p>	<p>Ongoing</p> <p>Ongoing</p> <p>Ongoing</p> <p>Ongoing</p>	

DfE Guidance	Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<ul style="list-style-type: none"> <li>▪ Personal Protective Equipment (PPE) must be worn by staff caring for the child while they await collection if a distance of 2 metres cannot be maintained (such as for a very young child or a child with complex needs). The PPE that should be used in the following situations when caring for someone with symptoms of coronavirus (COVID-19) is:               <ul style="list-style-type: none"> <li>▪ A face mask should be worn if a distance of 2 metres cannot be maintained</li> <li>▪ If contact is necessary, then gloves, an apron and a face mask should be worn</li> <li>▪ Eye protection if a risk assessment determines that there is a risk of fluids entering the eye, for example, from coughing, spitting or vomiting</li> </ul> </li> <li>▪ The individual should not use public transport if they are symptomatic. If arranging their return to their family home to isolate, schools should follow advice on transport arrangements in the safe working in education, childcare and children’s social care settings guidance.</li> <li>▪ Public Health England (PHE) has good evidence that routinely taking the temperature of pupils is not recommended as this is an unreliable method for identifying coronavirus (COVID-19).</li> </ul> <p><b>When an individual has had close contact with someone with coronavirus (COVID-19) symptoms</b></p> <ul style="list-style-type: none"> <li>▪ Any member of staff who has provided close contact care to someone with symptoms, regardless of whether they are wearing PPE, and all other</li> </ul>					

DfE Guidance	Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<p>members of staff or pupils who have been in close contact with that person, do not need to go home to self-isolate unless:</p> <ul style="list-style-type: none"> <li>▪ The symptomatic person subsequently tests positive</li> <li>▪ They develop symptoms themselves (in which case, they should self-isolate immediately and arrange to have a test)</li> <li>▪ They are requested to do so by NHS Test and Trace or the Public Health England (PHE) advice service (or PHE local health protection team if escalated)</li> <li>▪ They have tested positive from an LFD test as part of a community or worker programme</li> <li>▪ Everyone must wash their hands thoroughly for 20 seconds with soap and running water or use hand sanitiser after any contact with someone who is unwell. The area around the person with symptoms must be cleaned after they have left, to reduce the risk of passing the infection on to other people.</li> <li>▪ If anyone is contacted by NHS Test and Trace or their local health protection team and told to self-isolate because they have been a close contact of a positive case, they have a legal obligation to do so.</li> </ul>					
<p><b>2. Ensure face coverings are used in recommended circumstances (DfE page 11)</b></p>					
<ul style="list-style-type: none"> <li>▪ Where pupils in year 7 (which would be children who were aged 11 on 31 August 2020) and above are educated, it is recommended that face coverings should be worn by adults and pupils when moving around the premises, outside of classrooms, such as</li> </ul>	<ul style="list-style-type: none"> <li>▪ Schools should have a process for when face coverings are worn within your school and how they should be removed. You</li> </ul>	<ul style="list-style-type: none"> <li>▪ All students are encouraged to wear face coverings when in the building. Those students who are exempt from wearing a face covering</li> </ul>	All staff	5/3	

DfE Guidance	Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<p>in corridors and communal areas where social distancing cannot easily be maintained. Face coverings do not need to be worn by pupils when outdoors on the premises.</p> <ul style="list-style-type: none"> <li>It is now also recommended in those schools, that face coverings should be worn in classrooms or during activities unless social distancing can be maintained. This does not apply in situations where wearing a face covering would impact on the ability to take part in exercise or strenuous activity, for example in PE lessons.</li> <li>In primary schools, it is recommended that face coverings should be worn by staff and adult visitors in situations where social distancing between adults is not possible (for example, when moving around in corridors and communal areas). Children in primary school do not need to wear a face covering. This is an additional precautionary measure for a limited time during this period of high coronavirus (COVID-19) prevalence in the community. These measures will be in place until at Easter and will be kept under review.</li> <li>Transparent face coverings, which may assist communication with someone who relies on lip reading, clear sound or facial expression to communicate, can also be worn. There is currently very limited evidence regarding the effectiveness or safety of transparent face coverings, but they may be effective in reducing the spread of coronavirus (COVID-19).</li> </ul>	<p>should communicate this process clearly to pupils, staff and visitors and allow for adjustments to be made for pupils with SEND who may be distressed if required to remove a face covering against their wishes.</p> <ul style="list-style-type: none"> <li>Safe wearing of face coverings requires the: <ul style="list-style-type: none"> <li>Cleaning of hands before and after touching – including to remove or put them on</li> <li>Safe storage of them in individual, sealable plastic bags between use.</li> </ul> </li> <li>Where a face covering becomes damp, it should not be worn, and the face covering should be replaced carefully. Staff and pupils may consider bringing a spare face covering to wear if their face covering becomes damp during the day.</li> </ul>	<p>needs to apply for an exempt card through their heads of year. Yellow lanyards will be provided to all students who have authorised exemption.</p> <ul style="list-style-type: none"> <li>Students will receive a briefing on first day of return during their extended tutor period where they will be shown a presentation on how to put on/wear/remove face coverings safely.</li> <li>Students will be encouraged to wear reusable face coverings rather than disposable masks.</li> <li>A small contingency supply of face coverings will be available for those who are struggling to access a face covering.</li> </ul>	<p>Tutor HOY SLT</p> <p>All staff</p> <p>BJ/AL</p>	<p>08/03 – 12/03</p> <p>08/03</p> <p>05/03</p>	

DfE Guidance	Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<ul style="list-style-type: none"> <li>▪ Those who rely on visual signals for communication, or communicate with or provide support to such individuals, are currently exempt from any requirement to wear face coverings in schools or in public places.</li> <li>▪ Face visors or shields should not be worn as an alternative to face coverings. They may protect against droplet spread in specific circumstances but are unlikely to be effective in reducing aerosol transmission when used without an additional face covering. They should only be used after carrying out a risk assessment for the specific situation and should always be cleaned appropriately.</li> <li>▪ Some individuals are exempt from wearing face coverings. This applies to those who:               <ul style="list-style-type: none"> <li>▪ Cannot put on, wear or remove a face covering because of a physical impairment or disability, illness or mental health difficulties</li> <li>▪ Speak to or provide help to someone who relies on lip reading, clear sound or facial expression to communicate</li> </ul> </li> <li>▪ The same exemptions will apply in education and childcare settings and you should be sensitive to those needs, noting that some people are less able to wear face coverings and that the reasons for this may not be visible to others.</li> </ul>	<ul style="list-style-type: none"> <li>▪ Pupils must be instructed to:               <ul style="list-style-type: none"> <li>▪ Not to touch the front of their face covering during use or when removing it</li> <li>▪ Dispose of temporary face coverings in a 'black bag' waste bin (not recycling bin)</li> <li>▪ Place reusable face coverings in a plastic bag they can take home with them</li> <li>▪ Wash their hands again before heading to their classroom.</li> </ul> </li> <li>▪ Due to the increasing use of face coverings in wider society, staff and pupils are already likely to have access to face coverings. You should have a small contingency supply for people who:               <ul style="list-style-type: none"> <li>▪ Are struggling to access a face covering</li> <li>▪ Are unable to use their face covering as it has</li> </ul> </li> </ul>				

DfE Guidance	Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
	<ul style="list-style-type: none"> <li>become damp, soiled or unsafe               <ul style="list-style-type: none"> <li>▪ Have forgotten their face covering it</li> <li>▪ Face visors are not an alternative to face coverings</li> <li>▪ Is there an understanding of exemptions for wearing of face coverings?</li> </ul> </li> </ul>				
<b>3. Ensure everyone is advised to clean their hands thoroughly and more often than usual (DfE page 14)</b>					
<ul style="list-style-type: none"> <li>▪ Coronavirus (COVID-19) is an easy virus to kill when it is on skin. This can be done with soap and running water or hand sanitiser. Schools must ensure that pupils clean their hands regularly, including:               <ul style="list-style-type: none"> <li>▪ When they arrive at school</li> <li>▪ When they return from breaks</li> <li>▪ When they change rooms</li> <li>▪ Before and after eating.</li> </ul> </li> <li>▪ Staff working with pupils who spit uncontrollably may want more opportunities to wash their hands than other staff.</li> <li>▪ Pupils who use saliva as a sensory stimulant or who struggle with ‘catch it, bin it, kill it’ may also need more opportunities to wash their hands.</li> <li>▪ Continue to help pupils with complex needs to clean their hands properly.</li> <li>▪ Frequent and thorough hand cleaning should now be regular practice.</li> </ul>	<ul style="list-style-type: none"> <li>▪ Consider how often pupils and staff will need to wash their hands and incorporate time for this in timetables or lesson plans.</li> <li>▪ Are there enough hand washing or hand sanitiser ‘stations’ available so that all pupils and staff can clean their hands regularly?</li> <li>▪ Ensure supervision of hand sanitiser use given the risks around ingestion. Skin friendly skin cleaning wipes can be used as an alternative.</li> <li>▪ Build these routines into school culture, supported</li> </ul>	<ul style="list-style-type: none"> <li>▪ Students trained and reminded through tutor time presentations</li> <li>▪ Students advised they must use hand sanitiser on entering of the classroom as well as when they leave the classroom.</li> <li>▪ Every classroom, key corridor points, toilet areas and eating areas will have hand sanitiser dispensers.</li> <li>▪ All staff will monitor use of hand sanitiser use – dispensers deliver measured dose</li> <li>▪ Premises team will top-up after break, lunch and at the end of the day.</li> </ul>	<p>Tutor and Subject teacher</p> <p>All staff</p> <p>Site team</p> <p>All staff</p> <p>Site team</p>	<p>Ongoing</p> <p>Ongoing</p> <p>Ongoing</p> <p>Ongoing</p> <p>Ongoing</p>

<b>Other considerations including SEND and visitors to school</b>					
<ul style="list-style-type: none"> <li>▪ Some pupils with SEND (whether with EHC plans or on SEN support) will need specific help and preparation for the changes to routine that these measures will involve. Staff should plan to meet these needs, for example using social stories.</li> <li>▪ To make sure pupils with medical conditions are fully supported, work with: <ul style="list-style-type: none"> <li>▪ Local authorities</li> <li>▪ Health professionals</li> <li>▪ Regional schools' commissioners</li> <li>▪ Other services</li> </ul> </li> <li>▪ Use individual healthcare plans to help pupils receive an education in line with their peers. In some cases, the pupil's medical needs will mean this is not possible, and educational support will require flexibility. Further information is available in the guidance on supporting pupils at school with medical conditions.</li> <li>▪ Specialists, therapists, clinicians and other support staff for pupils with SEND should provide interventions as usual. They, as well as supply teachers, peripatetic teachers or other temporary staff, can move between settings. They should ensure they minimise contact and maintain as much distance as possible from other staff. Such specialists will be aware of the PPE most appropriate for their role.</li> </ul>	<ul style="list-style-type: none"> <li>▪ Refer to additional guidance on supporting pupils at school with medical conditions including reviewing EHC plans.</li> <li>▪ Consider how to manage visiting and support staff to maintain social distancing measures.</li> <li>▪ Consider what arrangements are required for contractors and visitors including arranging visits out of hours or remote meetings where possible.</li> <li>▪ Records of visitors must be kept to support NHS Test and Trace.</li> <li>▪ Work with other establishments to devise appropriate arrangements where children attend more than one setting.</li> <li>▪ Also see <a href="#">specific section</a> on EHC.</li> </ul>	<ul style="list-style-type: none"> <li>▪ SENCo to review EHCPs for relevant students and ensure appropriate support put in place as necessary</li> <li>▪ Where possible all outside agencies to have virtual meetings through Teams. Where meetings or sessions unable to be held remotely arrangements will be in place for these to be held after school.</li> <li>▪ Inventory system in use to record details of all visitors to site. Daily report auto-generated by system and emailed to Business Officer, maintained in line with GDPR guidelines.</li> <li>▪ Students attending an alternative setting to be tracked and monitored weekly</li> </ul>	<p>AJ/AR</p> <p>SLT</p> <p>AL</p> <p>AR</p>	<p>Ongoing</p> <p>Ongoing</p> <p>Ongoing</p> <p>Ongoing</p>	

DfE Guidance	Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<ul style="list-style-type: none"> <li>▪ Schools should consider how to manage other visitors to the site, such as contractors, catering staff and deliveries, as well as cleaning staff on site who may be working throughout the school and across different groups. This will require close co-operation between schools and the other relevant employers.</li> <li>▪ You should have discussions with key contractors about the school’s control measures and ways of working. They should ensure site guidance on physical distancing and hygiene is explained to visitors on or before arrival. Where visits can happen safely outside of school hours, they should. A record should be kept of all visitors with sufficient detail to support rapid contact tracing if required by NHS Test and Trace.</li> <li>▪ As normal, you should engage with your local immunisation providers to provide immunisation programmes on site, ensuring these will be delivered in keeping with the school’s control measures. These programmes are essential for children’s health and wellbeing and can also provide benefits for staff.</li> <li>▪ Where a pupil routinely attends more than one setting on a part time basis, for example because they are dual registered at a mainstream school and a special setting, the settings should work through the system of controls collaboratively, enabling them to address any risks identified and allowing them to jointly deliver a broad and balanced curriculum for the pupil. Pupils should be able to</li> </ul>					

DfE Guidance	Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<p>continue attending both settings. While some adjustment to arrangements may be required, pupils in this situation should not be isolated as a solution to the risk of greater contact except when required by specific public health advice.</p>					
<b>Equipment</b>					
<ul style="list-style-type: none"> <li>▪ For individual and very frequently used equipment, such as pencils and pens, staff and pupils should have their own items.</li> <li>▪ Classroom based resources, such as books and games, can be used and shared within the bubble. These should be cleaned regularly, along with all frequently touched surfaces.</li> <li>▪ Resources that are shared between classes or bubbles, such as sports, arts, and science equipment should be cleaned frequently. When sharing equipment between different bubbles, you should either:               <ul style="list-style-type: none"> <li>▪ Clean it before it is moved between bubbles</li> <li>▪ Allow them to be left unused for a period of 48 hours (72 hours for plastics)</li> </ul> </li> <li>▪ You will need to assess the ability to clean equipment used in the delivery of therapies, for example, physiotherapy equipment or sensory equipment. Determine whether this equipment can withstand cleaning and disinfecting between each use before it is put back into general use. Where cleaning or disinfecting is not possible or practical, resources will have to be either:               <ul style="list-style-type: none"> <li>▪ Restricted to one user</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>▪ Are staff and pupils reminded to use their own pencils and pens?</li> <li>▪ Are there measures to limit sharing of resources as much as is possible and kept within bubbles?</li> <li>▪ Are there measures to limit what is brought into and taken home from school?</li> <li>▪ Is there a consistent policy for marking books?</li> <li>▪ Are classroom resources included as part of an enhanced cleaning regime?</li> <li>▪ Are shared resources cleaned between use?</li> <li>▪ Is outdoor playground equipment cleaned more frequently?</li> <li>▪ Refer to CLEAPSS guidance for advice on cleaning</li> </ul>	<ul style="list-style-type: none"> <li>▪ Letter to students / parents reminding students to bring their own common stationery items with a list of items allowed to limit what is brought in.</li> <li>▪ Sharing of resources are limited.</li> <li>▪ Consistent Marking policy in school which applies to all staff.</li> <li>▪ Computer keyboards, mice and immediate desk space to be cleaned by students prior to use and, in shared areas, by staff.</li> <li>▪ Practical equipment (Performing Arts, DT, Art, PE) to be cleaned by teachers between year group sessions or left unused and out of reach for 48 hours (72 hours for plastics).</li> </ul>	<p>MC</p> <p>HOD</p> <p>HOD</p> <p>All staff</p> <p>HOD All staff</p> <p>All staff RF/IP</p>	<p>05/03</p> <p>Ongoing</p> <p>Ongoing</p> <p>Ongoing</p> <p>Ongoing</p> <p>Ongoing</p>

<p>others. In the event that a parent or carer insists on a pupil attending your school, you can take the decision to refuse the pupil if, in your reasonable judgement, it is necessary to protect your pupils and staff from possible infection with coronavirus (COVID-19). Your decision would need to be carefully considered in the light of all the circumstances and current public health advice.</p>					
<b>SECTION 2: SCHOOL OPERATIONS</b>					
<b>Asymptomatic testing (DfE page 29)</b>					
<p><b>Secondary school testing on-site through an Asymptomatic Testing Site (ATS)</b></p> <ul style="list-style-type: none"> <li>Secondary schools should offer pupils testing at an on-site ATS from 8 March. Testing and return of pupils can be phased during the first week to manage the number of pupils passing through the test site at any one time. You should offer 3 tests, 3 to 5 days apart.</li> <li>You have the flexibility to consider how best to deliver testing on a phased basis from 8 March, depending on your circumstances and local arrangements, but you should prioritise vulnerable children and children of critical workers, and year groups 10 to 13.</li> <li>Pupils should return to face-to-face education following their first negative test result. Pupils not undergoing testing should attend school in line with your phased return arrangements. Schools will have discretion on how to test students over that week as they return to the classroom.</li> </ul>	<ul style="list-style-type: none"> <li>Consider how initial on-site testing will be delivered and if this needs to be on a phased basis.</li> <li>Make arrangements for continuing on site testing (in secondary schools only).</li> <li>Complete a risk assessment for the testing process relevant for your setting (templates are available).</li> <li>Communicate procedures for testing and continue to encourage take up of testing.</li> <li>Ensure staff, students and parents understand what</li> </ul>	<ul style="list-style-type: none"> <li>Initial on-site testing scheduled for Monday 1<sup>st</sup> March for all consented students to ensure swift return to school for all students on Tuesday 9<sup>th</sup> March</li> <li>Room identified for continuing on site testing facility</li> <li>Risk assessment completed and uploaded onto School website</li> <li>Weekly update sent to parents to remind them of the importance of on-going testing and students briefed by HOY</li> <li>Step by Step guide provided to staff and parents on what</li> </ul>	<p>MC/AL</p> <p>MC/AL</p> <p>MC/KB</p> <p>MC</p> <p>MC</p>	<p>01/03 Ongoing</p> <p>01/01</p> <p>05/03</p> <p>Ongoing</p> <p>Ongoing</p>	

DfE Guidance	Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<ul style="list-style-type: none"> <li>▪ Testing is voluntary. If consent is provided, pupils will be asked to self-swab at the on-site ATS and after 30 minutes they should be informed of their results.</li> <li>▪ Individuals with a positive LFD test result will need to self-isolate in line with the guidance for households with possible coronavirus infection. Those with a negative LFD test result can continue to attend school unless they have individually been advised otherwise by NHS Test and Trace or Public Health professionals (for example as a close contact). They should continue to apply the measures in the system of controls to themselves and the wider school setting.</li> <li>▪ Schools should retain a small on-site ATS on site so they can offer testing to pupils who are unable or unwilling to test themselves at home. We will provide further information about funding available to support this.</li> </ul> <p><b>Home testing</b></p> <ul style="list-style-type: none"> <li>▪ Both pupils and staff in secondary schools will be supplied with LFD test kits to self-swab and test themselves twice a week at home. Staff and pupils must report their result to NHS Test and Trace as soon as the test is completed either online or by telephone as per the instructions in the home test kit. Staff and pupils should also share their result, whether void, positive or negative, with their school to help with contact tracing.</li> </ul>	<p>to do in the event of a positive test.</p> <ul style="list-style-type: none"> <li>▪ Ensure that staff, students and parents understand that symptomatic testing still needs to take place and that it can be booked online.</li> </ul>	<p>process to follow should there be a positive test result</p> <ul style="list-style-type: none"> <li>▪ All staff and parents continue to receive communication regarding symptoms of Covid-19 and importance of booking PCR tests, Covid secure guidelines reiterated for school premises</li> </ul>	<p>MC</p>	<p>Ongoing</p>	

DfE Guidance	Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<ul style="list-style-type: none"> <li>▪ Pupils aged 18 and over should self-test and report the result, with assistance if needed. Adolescents aged 12 to 17 should self-test and report with adult supervision. The adult may conduct the test if necessary. Children aged 11 attending a secondary school should be tested by an adult.</li> <li>▪ Staff or pupils with a positive LFD test result will need to self-isolate in line with the stay-at-home guidance. They will also need to arrange a lab-based polymerase chain reaction (PCR) test to confirm the result if the test was done at home. Those with a negative LFD test result can continue to attend school and use protective measures.</li> </ul> <p><b>Primary Schools</b></p> <ul style="list-style-type: none"> <li>▪ Staff in primary schools will continue to test with LFDs twice a week at home, as per existing guidance on testing for staff in primary schools and nurseries.</li> <li>▪ Primary age pupils will not be tested with LFDs. Public Health England have advised there are currently limited public health benefits attached to testing primary pupils with lateral flow devices. Primary age pupils may find the LFD testing process unpleasant and are unable to self-swab. We will review this approach in the light of any emerging evidence.</li> <li>▪ All primary school pupils are expected to return to school on 8 March.</li> </ul> <p><b>Specialist settings</b></p> <ul style="list-style-type: none"> <li>▪ We recognise specialist settings will have additional considerations to take into account when delivering</li> </ul>					

DfE Guidance	Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<p>asymptomatic testing and additional guidance will be published and circulated. We recognise that self-swabbing may cause significant concerns for some children and young people with SEND. Testing is voluntary and no child or young person will be tested unless informed consent has been given by the appropriate person.</p> <p><b>Symptomatic testing</b></p> <ul style="list-style-type: none"> <li>▪ The asymptomatic testing programme does not replace the current testing policy for those with symptoms. Anyone with symptoms (even if they recently had a negative LFD test result), should still self-isolate immediately according to government guidelines.</li> <li>▪ Those with symptoms are also expected to order a test online or visit a test site to take a lab-based polymerase chain reaction (PCR) test to check if they have the virus.</li> </ul>					
<b>Attendance (DfE page 32)</b>					
<ul style="list-style-type: none"> <li>▪ School attendance will be mandatory for all pupils from 8 March.</li> <li>▪ During the week commencing 8 March, pupils will be offered asymptomatic testing on site in secondary schools. Pupils who consent to testing should return to face-to-face education following their first negative test result. Pupils not undergoing testing should attend school in line with your phased return arrangements. Vulnerable children and children of critical workers in secondary schools should continue to attend school throughout, unless</li> </ul>	<ul style="list-style-type: none"> <li>▪ Identify any pupils who may not be able attend school.</li> <li>▪ Ensure there is provision for remote education for those unable to attend school.</li> <li>▪ Monitor engagement with remote education.</li> </ul>	<ul style="list-style-type: none"> <li>▪ Attendance team keeping a close record of those students who may not be able to attend school.</li> <li>▪ Remote education is provided through Teams and, where necessary a laptop provided, for those students who are unable to attend school environment.</li> </ul>	<p>JJ/SK</p> <p>LC/NB</p> <p>LC/SK</p>	<p>09/03 Ongoing</p> <p>Ongoing</p> <p>Ongoing</p>
