

JUBILEE HIGH SCHOOL

Music Lessons 2021-2022

We are pleased to offer instrumental and vocal tuition at Jubilee High School.

Details of lessons available together with the schedule of fees can be found attached. In comparison with many other Surrey schools, and with private lessons costing up to £40 an hour, we hope you will agree that Jubilee is offering a very affordable option. A limited number of assisted places (for any instrument, or vocal lessons) may be available to any student entitled to claim free school meals; please email s.james@jubileehigh.surrey.sch.uk for further information.

In order for your child to make good progress with their instrument, it is important that they practise on a daily basis. Their individual teacher will be able to advise them on the correct amount of time to be spent practising.

Demand for these lessons is usually extremely high and places will be allocated in order of receipt of application. We would therefore encourage you to return the attached application form to the school's office as soon as possible. Please note that by signing the form, you are agreeing to the terms and conditions attached.

We hope your child has many successful years of learning their chosen instrument.

Music Lessons - Information and Terms

Students will in many cases miss part of a normal lesson each week to attend music lessons. We try hard to ensure that a rotation exists to prevent the same lesson being missed each week. Students who require a fixed time should discuss this with the appropriate teacher or indicate on the application form and we will do our best to accommodate such requests. Key Stage 4 students are given priority for break and lunch time slots.

Students must be prepared to purchase music books and accessories (such as reeds, plectrums and leads) as necessary.

Instruments brought into school must be covered under your home contents insurance, as the school cannot be held responsible for damage or loss whilst the instrument is stored and used at school.

If you wish to discontinue lessons, you are required to give five weeks' notice.

Assisted Places scheme - Terms and Conditions

A small number of assisted places (for any instrument or vocal lessons) may be available to a limited number of students eligible for free school meals. To be considered for this, please tick the appropriate box on the Instrumental Lessons Application Form.

Assisted places are reviewed termly and students are expected to show commitment by practising regularly, attending lessons on time (giving an apology for any missed lessons), and participating in a music club. The place may be withdrawn and allocated to another student if there is insufficient evidence of commitment or progress.

Fee Schedule for 2021-22

30 minute lesson	20 minute lesson
Cost per term	Cost per term
£165	£110

PAYMENT IS MADE DIRECT TO THE TEACHER AFTER AN INVOICE HAS BEEN ISSUED.
