IT'S WORLD BOOK DAY!

A row of colorful, anthropomorphic books with faces, arms, and legs, standing on a shelf. The books are in various colors: red, teal, purple, blue, yellow, orange, green, pink, light blue, and dark blue. Some books have unique accessories: a pirate hat, a red polka-dot headscarf, a yellow hat, a green hat, and sunglasses. The books are arranged in a slightly uneven line, giving them a lively appearance.
