

12 March 2021

Dear Parent,

We hope that you and your families are well and that your child has been excited about the return to school. Today marks the first day of a full school return at Jubilee High and we couldn't be happier to have all the students back with us.

We would like to take this opportunity to thank you for all the support you have given your child through the options process. We are acutely aware of how hard these choices can be for students and we are incredibly proud of their mature approach to this important decision. We hope the recent Options Evening allowed you and your child to fully understand the expectations of each subject to support their choices.

As you will be aware, the students have already completed two rounds of our 'Fantasy Options'. This has supported us to understand how the year group curriculum will look based on the choices they have made. We are now moving towards the final stages of our options process. The next step will be our 'Fantasy Options 3' which will be completed in the same format through our TEAMS Forms.

Please note that this is not their final choice, however we will be using this as a guide for the curriculum for next year. This would be an excellent opportunity to have further conversations with your child regarding the subjects they wish to choose before submitting the form.

As in previous fantasy option rounds, your child's tutor will email the TEAMS Forms link for completion. The deadline for this to be completed will be Monday 15th March.

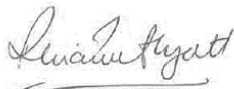

If you have any questions or queries, then please contact your child/children's tutor in the first instance either via email or by contacting the main office.

Thank you for your continued support and encouragement.

Yours sincerely

**Miss L Merrall**  
Assistant Headteacher i/c Year 8

**Mrs R Hyatt**  
Assistant Headteacher i/c KS3
