

May 2021

Dear Parent,

I hope that you and your family are well and I wish you a warm welcome from Jubilee High School.

As you will be aware, our transition team have been working closely with our local feeder primary schools to ensure our transition programme supports you and your child make this important move as smooth as possible. Although the current national situation is very different to our normal transition programme, we want to reassure you that it is our priority to make sure you and your child receive the correct information before arriving to our great school community.

Unfortunately, we are currently finalising the dates for the school induction days and once this has been confirmed we will communicate these to you.

With this in mind, we would like to signpost you to our website; www.jubileehigh.surrey.sch.uk where you will find regular updates under our "Year 6 2021" tab

Alternatively, we have our own dedicated Twitter page, @JHSRevolution20, again please visit our page to follow us.

We understand that you will want to get uniform organised. There are several items of uniform that can be purchased from alternative sources (*please see our Uniform and Equipment list on our website*), however, there are key items such as blazer and tie that must be purchased from our partner company [School Uniforms Direct](#) (SUD).

Please find enclosed a booklet that requires completion and return before your child begins their Jubilee High School educational journey together with some other information that we hope you will find useful. These documents will also be available on our website under the "Year 6 2021" tab.

It is compulsory that you complete, sign and return this booklet no later than **Friday 28th May 2021**

If you have any further questions or concerns please do not hesitate to contact the office Office@jubileehigh.surrey.sch.uk.

We look forward to meeting you and your child.

Stay safe

Mr M. Conroy
Headteacher
