

Dear Parent

**Year 8 Options- Important Information**

We hope that you and your families are well. We have really enjoyed having the students back in school and Year 8 have shown fantastic commitment and determination in their lessons.

We would like to take this opportunity again to thank you for all the support you have given your child through the options process. We are aware that we had originally set the final deadline for last week, however, the students have returned to school with a number of questions and we have made the decision to extend the final deadline to ensure we can support all students in making the correct choices.

Students must now complete '**Fantasy Options 4**' which is the final fantasy round before they make their final options choices the week after the Easter break.

Students must now pick one option from each of the following columns. Each option must be different and students may not choose more than one of the options in **bold**.

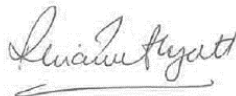

Health Option	Block 1	Block 2	Block 3
Dance Health and Fitness GCSE PE	Business Computer Science French Geography History Food Technology	Business Drama Food Technology History Spanish <b>Fine Art</b>	<b>3D design</b> <b>Graphics</b> Drama Food Technology Geography History Music

The options forms have been emailed to your child to be completed online. You may also access the form by clicking [here](#). The deadline for this to be completed is **Monday 19<sup>h</sup> April**.

If you have any questions please contact Miss Merrall via email [l.merrall@jubileehigh.surrey.sch.uk](mailto:l.merrall@jubileehigh.surrey.sch.uk)

Thank you for your continued support and encouragement.

Yours sincerely
